is violence an intrinsic component of contemporary sport how does violence within sport reflect upon the attitudes of wider society in this landmark study of violence in and around contemporary sport kevin young offers the first comprehensive sociological analysis of an issue of central importance within sport studies the book explores

organized and spontaneous violence both on the field and off and calls for a much broader definition of sports related violence to include issues as diverse as criminal behaviour by players abuse within sport and exploitative labor practices offering a sophisticated new theoretical framework for understanding violence in a sporting context and including a wide range of case studies and empirical data from professional soccer in Europe to ice hockey in North America the book establishes a benchmark for the study of violence within sport and wider society through close examination of often contradictory trends from anti violence initiatives in professional sports leagues to the role of the media in encouraging hyper aggression the book throws new light on our understanding of the socially embedded character of sport and its fundamental ties to history culture politics social class gender and the law

this handbook presents a systematic and comprehensive overview of economic sociology an exemplary interdisciplinary field which draws on theoretical frameworks and empirical findings from both economics and sociology to present a unique lens on the interdependence of the economy and society the handbook is arranged in four parts which together present the current state of the art of economic sociology as well as pointing toward future directions for research the first part outlines the theoretical foundations of economic sociology and its relations to other fields particularly with regard to other alternative approaches to economics and looks at conceptions and definitions of economic sociology vary the second part provides an overview of the historical development of economic sociology from classical political economy to the present day the third part explores the main problematics of economic sociology analyzing the economy in relation to particular social institutions the state ideology culture and art religion gender race ethnicity and more the fourth part focuses on the principal branches including sociology of the market industrial organization and work uncertainty distribution and inequality money and finance and the environment the stellar international cast of contributors is drawn from both economics and sociology therefore presenting a holistic view of the field and contributing to a rejuvenation of economic sociology within economics it is an indispensable reference work for researchers and students across a broad range of sociological and economic disciplines

this book draws on core concepts coined by Adorno such as identity thinking the culture industry and his critique of the autonomous and rational subject to address the ills that plague neoliberal capitalist societies today these ills range from the risk of a return to totalitarian tendencies to the global rise of the far right and anti feminist conceptions of motherhood subsequent chapters outline the ways in which Adorno's thought can also be seen to redress the challenges of modern societies such as the critical function of

artworks and the subversive potential of slow food and popular music the important underlying concern of the book is to highlight the continuing relevance of Adorno both in dealing with the failures of neo liberal capitalist societies and in his applicability to a wide range of disciplines

An interdisciplinary thematic and empirical investigation of grooming in a multi jurisdictional context this book draws on extensive research in the form of over 50 interviews with professionals working in sex offender assessment management or treatment as well as child protection in the UK and the Republic of Ireland

In this critical study of the Liquor Control Board of Ontario Scott Thompson and Gary Genosko expose the stakes and consequences of the enormous bureaucracy behind the administrative surveillance of alcohol consumption in Ontario since its inception in 1927 the LCBO subjected alcohol consumption to its disciplinary gaze and generated knowledge about the drinking population this book details how the LCBO tracked all alcohol consumption and capitalized on technological advances in order to generate categories and profiles of individuals so they could control drinking in the province while this is a historical project it also investigates how categorical treatment of populations like First Nations helped to develop and foster stereotypes around addiction that persist to this day
