the fifth daughter in a patriarchal society and an indigenous bedouin in israel amal came into this world fighting for her voice to be heard in a community that did not prize girls at birth it was only her father who looked at her and said i see hope in her face i want to call her amal hope in the hope that allah will give us boys after her five brothers were indeed to follow hope is a woman s name is a rare look at bedouin life from the even rarer perspective of a bedouin girl amal challenged authority from birth slowly learning where her community s boundaries lay

and how to navigate them as a shepherd at the age of 6 amal led her flock of sheep across the green mountains of laqiya her village in the negev in southern israel given such responsibility though rarely recognition amal came to understand her community and forge her skills as a leader aged 13 and frustrated by the constraints put on her education as a girl amal set up literacy classes for the adult women in her village she aimed to teach them not only how to read but to value education itself i wanted them to taste an education so that they would never again deprive their daughters of one this was the beginning of a lifelong career initiating projects that would help create change for the bedouin a minority within israel s palestinian minority and for their women in particular she established economic empowerment programmes for marginalized women helped found an arab jewish school and created organizations to promote shared society at every turn she had to face the challenges of tradition as well as the prejudices of israeli society to create new possibilities that would allow women to empower themselves amal has learnt to embrace every aspect of her complicated identity bedouin arab woman palestinian and israeli citizen to help create social change build bridges with other communities and inspire hope hope is a woman s name is an intimate portrayal of a little known culture and its strengths values morals and boundaries it is a rare and moving story

shetland has a history unique in europe for over the past two centuries it was a place where women dominated the family economy and the cultural imagination women ran households and crofts without men they maintained families and communities because men were absent and they constructed in their minds an identity of themselves as liberated long before organised feminism was invented and yet shetland is a place which was made by the most masculine of societies those of the picts scots and above all the vikings and its contemporary identity still draws on the heroic exploits and sagas of medieval norsemen this book examines how against this tradition shetland became a female place and offers answers as to how in this most isolated island community the inhabitants transgressed and reversed their traditional gender roles reconstructing this woman s world from fragments of cultural experience captured in written and oral sources this book will appeal to scholars in the fields of social and cultural history social anthropology gender and women s studies

in a woman s war warwick deeping delves into the complex and harrowing experience of women during world war i capturing their emotional and psychological struggles against the backdrop of conflict through evocative prose and richly drawn characters deeping explores themes of love loss and the evolving role of women in a society transformed by war his narrative style is marked by poignant realism and the book is emblematic of early 20th century

literature that sought to highlight the often overlooked contributions of women in a male dominated historical context warwick deeping a british novelist renowned for his humanistic themes and vivid characterizations crafted this work during a period when societal norms regarding gender roles were in flux his own experiences and observations during the war undoubtedly informed his portrayal of female resilience and determination deeping s interest in psychology and human behavior lends depth to his characters making their struggles relatable and profound amid the turmoil of the war this book is a compelling read for anyone interested in women s history war literature or the socio political changes of the early 20th century deeping s intricate portrayal of women s wartime experiences not only offers insight into their inner lives but also serves as a tribute to their indomitable spirit in times of crisis in this enriched edition we have carefully created added value for your reading experience a succinct introduction situates the work s timeless appeal and themes the synopsis outlines the central plot highlighting key developments without spoiling critical twists a detailed historical context immerses you in the era s events and influences that shaped the writing a thorough analysis dissects symbols motifs and character arcs to unearth underlying meanings reflection questions prompt you to engage personally with the work s messages connecting them to modern life hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
